【The earliest priority date】

【Attachment】 Specification of the SA application / Comparative table of corresponding claim(s) between KR application and SA application

1. Overview of Collaborative Search Pilot Program (CSP)

If same inventions are filed in Korea and Saudi Arabia respectively and the earliest date (whether this be a priority date or a filing date) of them is identical, examiners in both offices may share information of prior art which is necessary for examination and use it upon request of an applicant.

2. Process of CSP

3. Requirement for CSP Request

- (a) Same earliest priority date of applications filed with KIPO and SAIP
- (b) Examination requested before or at the same time of the filing of a CSP request
- (c) Filing of a CSP request before the issuance of the first office action

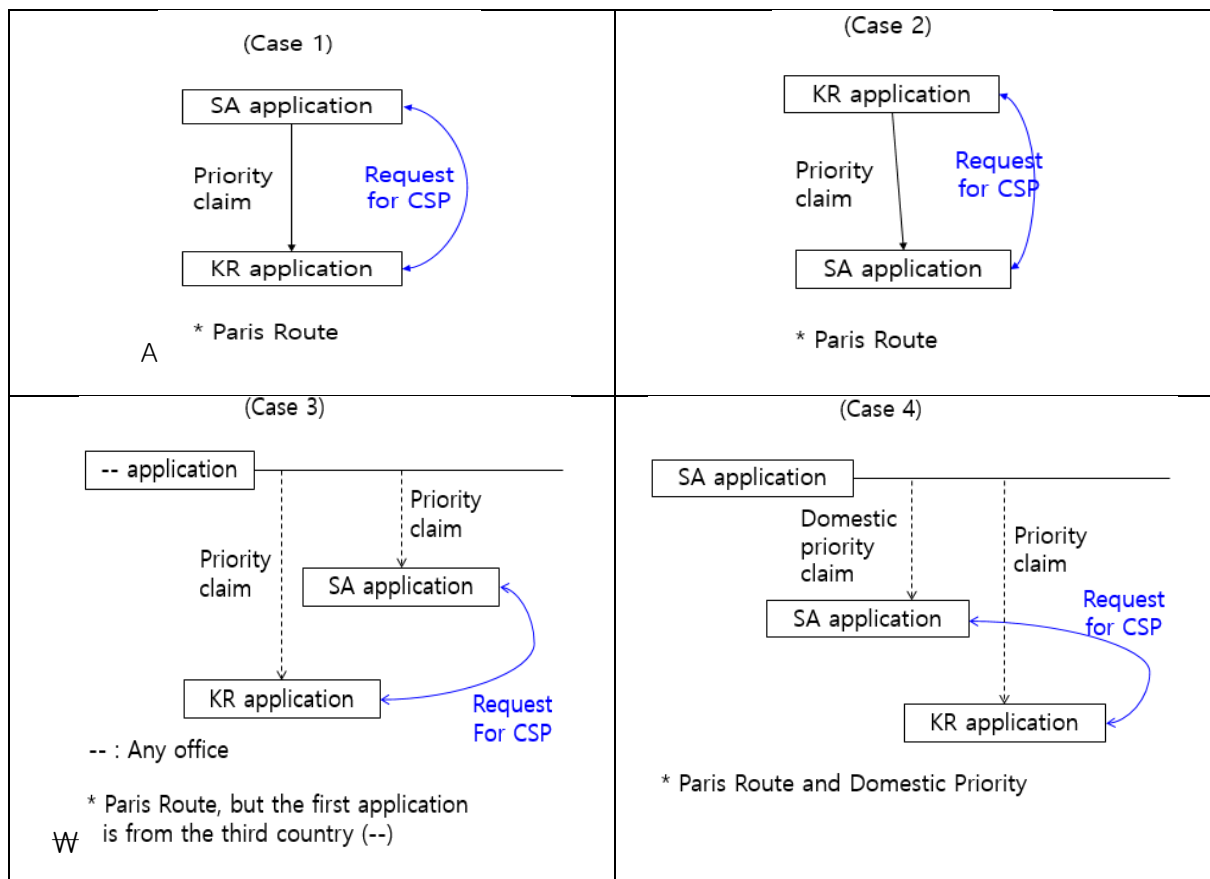

(d) Filing of a CSP request based on a single application

(g) Sameness of corresponding claims of the requests filed with KIPO and SAIP

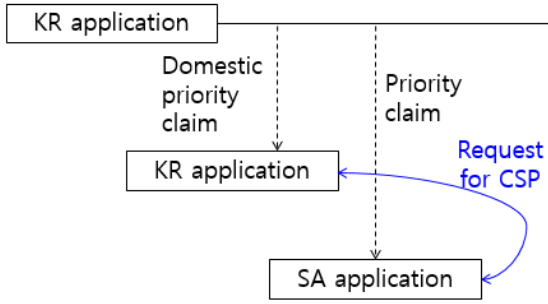

(h) Identical applicants for both KIPO and SAIP

※ If the number of CSP requests is over 100 for 2 years totally, the requests may be limited (75 CSP petitions for Korean applicants and Saudi Arabian applicants, respectively, 25 petitions for applicants from 3rd countries).

<Examples of the Same **Earliest Priority Date**>

(Case 5)

* Paris Route and Domestic Priority

How to Fill Out the CSP Request Form

1. Subscriber

a. With subscriber ID

Describe the name or the name of corporation, which was used for subscriber ID, in Korean in the [Name], and state subscriber ID given by a patent office in the [Subscriber ID].

b. Without subscriber ID

(1) In the next line of the [Subscriber], make a new category such as [Name in Korean] and [Name in English] of subscriber in accordance with a preparation method for section 1 of Annex 4 (request form of subscriber ID) in Enforcement Regulations of the Korean Patent Act, and write down the name.

(2) Subscriber should sign or stamp a seal directly on the box of Subscriber's Seal (Sign) in the next page of the [Attachment]. The size of the box is 4X4 cm. If there are more than 2 subscribers, make boxes according to the number of subscribers.

c. Common

If an application is submitted by de facto agent other than a patent attorney or a license corporation, or a legal agent of minors, quasi-incompetents or incompetents, make a category [Legal agent, etc.] with its [Name] and [Subscriber ID] in the next line of [Subscriber] as follows. Also, documents to prove the right of the agent should be enclosed.

E.g. [Legal agent, etc.]

[Name]

[Subscriber ID]

2. Agent

a. For procedure managed by an agent, write down the name of the agent or license corporation, and agent ID. If the agent is license corporation/incorporated company, state the names of designated patent attorneys in the [Designated Patent Attorney] in the next line of the [Agent ID] as follows :

E.g. [Agent]

[Name] license corporation/incorporated company 0000

[Agent ID] Agent ID of license corporation/incorporated company

[Designated Patent Attorney] Patent attorney 000, Patent attorney 000

- b. A mandated agent creates [Mandating registration ID] to write down the mandating registration ID. If the agent has been mandated by more than 2 authorizers, make more parts according to the number of authorizers to write down all IDs as follows :

E.g. [Agent]

[Name]

[Agent ID]

[Mandating registration ID]

[Mandating registration ID]

- c. If individually mandated agent does not represent all of the authorizers, make [NOTE] in the next line of [Agent ID] as follows :

E.G. [Agent ID]

[NOTE] agent of subscriber 000

- d. Individually mandated agent should establish a 'mandate letter' in the [Attachment] and attach the letter to this form. The mandate letter should be described based on Annex 1 (Mandate letter) of [Enforcement Regulations of the Korean Patent Act].

3. Korean application

- a. Application number is stated in the [Application number] as follows :

E.g. 10-2007-1234567

- b. Filing date is stated in the [Filing date] as follows :

E.g. 2015-09-01

- c. In the [Earliest priority date], the earlier date between the filing date and the priority date is stated as follows :

E.g. 2015-0101

4. Saudi Arabian application

b. Application number is stated in the [Application number] as follows :

E.g. 10-2007-1234567

b. Filing date is stated in the [Filing date] as follows :

E.g. 2015-09-01

c. In the [Earliest priority date], the earlier date between the filing date and the priority date is stated as follows :

E.g. 2015-0101

5. Attachment

a. Specification of the Saudi Arabian application

If the specification is amended before or at the same time of the filing of a CSP request, attach the finally amended specification.

b. Comparative table of corresponding claims between the KR application and the Saudi Arabian application

Every claim number in the KR application, which is the same with the one in the Saudi Arabian application, should be stated in [Claim No.], and it should be explained whether both claims are the same or not in the column of [Correspondence] (The category of an invention cannot be changed).

< Examples for the Claims Correspondence >

Claim No. of KR application	Claim No. of Saudi Arabian application	Correspondence
1	1	same
2	2	same
3	3	same
4	6	same
5	4	same
6	8	same
7	9	same
